The Mission of Pasco High School is to Prepare All Students to Accomplish the Following:

1. Demonstrate creative and critical thinking
2. Promote academic opportunities for all students (equity)
3. Read, write, and computer with clarity, depth, and precision
4. Demonstrate effective communication and collaborative skills
5. Use continually changing technology
6. Demonstrate knowledge of a healthy lifestyle through physical fitness and nutrition
7. Prepare students for success in post secondary opportunities
8. Exhibit the qualities of productive contributors to society
9. Develop positive self-concepts, pride, and respect for themselves and others (habits of mind)
10. Increase student involvement in extracurricular opportunities; create a balance between academic success and extracurricular activities

---

**College Information Provided:**

- Catalogs/Brochures highlighting opportunities with colleges, universities, technical schools, and branches of the military
- Visits from representatives that are announced in the daily bulletin

**Financial Aid Assistance Given:**

- Up-to-date local and national scholarship listings
- Internet access to free scholarships and financial aid resource sites
- Free Application for Federal Student Aid (FAFSA) and information
- Financial aid workshops and one-on-one assistance for students and parents

**Testing & Test Preparation (SAT, ACT, COMPASS & ASVAB Tests):**

- Information and Registration
- Preparation/Resource materials
- Fee waivers

**Career Resources Provided:**

- Assistance with resumes, job applications and interviews
- In-School Youth Referrals
- WOIS/The Career Information System; [http://www.wois.org](http://www.wois.org) (Site key: yny560)

**Additional Assistance:**

- Letters of recommendation (2 weeks lead time)
- Application/Scholarship Workshops in Student Services — TBA
Parents: How to Help

Access your Student’s Parent Portal
• Site can be accessed at http://pschool.psd1.org/public/home.html
• Classroom concerns need to be addressed promptly with teachers and counselors
• Ensure Senior Project due dates are being met

Utilize Additional Support Programs
• Saturday School: Available to students that need extra assistance
• GEAR UP Tutoring: Contact Colleen Hall – Hall@psd1.org or 547-5581

Investigate and Determine Post High School Options
• Apprenticeships
• Armed Services
• Colleges/Universities
• Technical Schools

Determine Financial Need
• Determine your family’s potential contribution
• Apply for FAFSA (Free Application for Federal Student Aid)

Student Goals

Make the Year Count: Avoid Taking the Year Off - “Senioritis”
• Maintain a challenging course load
• Stay active and involved
• Ensure you are meeting all graduation requirements (request a credit evaluation from your counselor)

Investigate Post High School Institutions
• Research your possibilities and options (checkoutacollege.com)
• If possible, visit the institutions that interest you
• Make sure to complete testing in a timely manner (PSAT, ACT, SAT, ASVAB)

Senior Year
• Maintain a full schedule (post high school institutions review your Senior Year)
• Request a credit evaluation from your counselor to ensure graduation requirements will be met
• Follow up that test scores have been sent to school of choice (Scores required by Universities and the military to make final determination)
• Apply early—before the deadline
• Utilize portfolio to complete admission and scholarship applications
SAT/ACT EXAMS

- Registration materials can be obtained in the Bulldog Way
- Washington State public institutions will accept either SAT or ACT scores
  - SAT Exams
    - Register on-line at [www.collegeboard.org](http://www.collegeboard.org)
    - Test administered at Richland, Hanford & Kennewick High Schools
    - Test fee is $46, with Essay $60
  - ACT Exams
    - Register on-line at [www.act.org](http://www.act.org)
    - Test administered at Hanford High School
    - Test fee is $39.50 ($56.50 if writing portion is included) (fee waivers available)
    - Talk to Ms. Eva Morfin to see if you’re eligible for a fee waiver.

Four-Year Colleges and Universities

Why Choose a Four Year College/University?

- Widest variety of class subjects and levels
- Most majors involve core, specialized, and exploratory courses
- Bachelor of Arts (BA) Degree
- Bachelor of Science (BS) Degree
  - For technical fields
- Universities offer master and doctorate degrees

Is a 4-year college or university for you?

If you're looking for the traditional college experience you see in movies, a 4-year school is the place for you. Here are some of the reasons that students choose 4-year colleges and universities:

- **To receive a well-rounded education.** At the undergraduate level, colleges and universities require that students take courses in a number of areas to help them figure out what areas of study are best for them, as well as to provide a broad base of academic knowledge.

- **To be eligible for your dream job.** Look at job listings for entry-level positions, and you'll find that many require a bachelors degree. Completing a degree at a 4-year college or university will give you the academic skills you need to be ready for the demands of your job.

- **To make more money.** Studies have shown that employees who have graduated from 4-year colleges and universities tend to earn more money than students with associates degrees or high school diplomas.

- **To prepare for graduate school.** If you're planning to continue your education with a masters degree, attending a 4-year college or university will help prepare you academically for that degree. Also, attending a school that also offers graduate programs allows you to learn more about those programs before you enroll.

</table>
1. Research the colleges/universities you are interested in applying for admission. Refer to Page 8 for school websites

2. Create online account for admissions application

**Application checklist**

- Enter your personal information including your Social Security Number (if any) and your email address. You will need to provide your own email address. You can use Yahoo!, Google Mail, Hotmail or any provider of your choice.
- Request your senior year schedule from your counselor (both semesters).
- Request cumulative GPA and your class rank from your counselor or Ms. Eva Morfin.
- Create a list of activities including school activities and community/volunteer activities.
- Write essay(s) using a word document and ask a teacher for help with proofreading.
- Pay admission application fee with credit/debit card or fee waiver.
- Submit admissions application by the priority deadline (Refer to page 9 for application deadlines).
- **To apply for college/university scholarships, in most cases, you will need to complete a separate online application**

3. Schedule campus tour or talk to GEAR UP about attending a college visit sponsored by them.

4. Request that SAT or ACT scores be sent to your school(s) of choice.

   For SAT scores, go to [www.collegeboard.org](http://www.collegeboard.org)        For ACT scores, go to [www.act.org](http://www.act.org)

5. Request high school transcripts from the Student Services Center and mail them to your school of choice.

6. Check your e-mail weekly for updates on the status of your application.

7. Receive and respond to acceptance/rejection letter(s). National deadline to respond is May 1.

8. Receive and respond to financial aid and/or scholarship award letter(s).
Types of Degrees/Certificates (WA State)

Academic Transfer Degree (A.A.)
- Often considered equal to completing first two years at a four-year college/university
- Work towards an Associate in Arts & Sciences Degree (90 college level credits)
- Allows “junior year” status at a four-year college/university that accepts a direct transfer from a community college

Associate of Applied Science (A.A.S.)
- Also known as terminal or occupational degrees
- Professional technical degree
- Does not lead to a four-year institution
- Requires 90 college level credits

Utilize Counselors at the Community College
- Meet with a counselor to ensure credits at the community college will be accepted by the school you are planning to transfer to

If you are planning to attend Columbia Basin College (CBC), please refer to pages 12 and 13 for the admissions process or talk to Ms. Eva Morfin (509) 547-5581 Ext. 3808.
October 2017
1. **Financial Aid**
   If applying for financial aid, fill out a Free Application for Federal Student Aid (FAFSA) form at www.fafsa.ed.gov. Make sure to select Columbia Basin College as your college of choice in your FAFSA. Meet all deadlines of the Financial Aid office at CBC. (For the 2017-18 year, you will be able to apply between Oct, 1, 2017 and June 30, 2018) However, there are a few federal student aid programs that have limited funds, so be sure to apply as soon as you can once the FAFSA is available for the year you'll be attending.

2. Fall quarter applicants completing financial aid requirements by the priority deadline, and who are eligible for federal or state aid, will be considered for a maximum aid award. Other forms of funding may be available for your education

March 2018
2. **Complete an Application for Admission online** (www.columbiabanis.edu) or ask Ms. Eva Morfin for a hard copy of the application.
   - Pay attention to the processing timelines listed below and allow one week processing time from date of submission.

<table>
<thead>
<tr>
<th>Quarter</th>
<th>Application Processing Begins</th>
</tr>
</thead>
<tbody>
<tr>
<td>Fall</td>
<td>March 1</td>
</tr>
<tr>
<td>Winter</td>
<td>September 1</td>
</tr>
<tr>
<td>Spring</td>
<td>January 1</td>
</tr>
</tbody>
</table>

- Applications received prior to the processing timelines above will be held and processed per quarter indicated on the application. Acceptance emails/letters will be issued as applications are processed
- **Upon completion of processing, students will receive an acceptance email.** Please review email for further instructions on completing the admissions process
- **Before submitting application please read the following condition:**
  A $50 non-refundable admission and assessment fee is required for new/transfer or returning students (those who do not have transcribed CBC classes in the last four consecutive quarters) and can be paid online after receiving the acceptance confirmation email with your student identification number. Students who submit an application are required to pay the non-refundable fee whether or not they enroll in classes at CBC.

3. **If submitting a paper application send your application to Student Records**
   Columbia Basin College
   Attn: Student Records
   2600 North 20th Ave.
   Pasco, WA 99301
5. **Complete Getting Started Steps Online**
   - Before you get started, make sure you have:
     1. Applied for admissions.
     2. Received a "Welcome to CBC" email/letter with your Student ID number.
   - Log in with your Student ID number you received in the "Welcome to CBC" email/letter and your PIN
     (**Your PIN is your date of birth (mmddyy) by default. For security purposes, students are required to change their PIN after the first login**)
   - This process will walk you through how to get started at CBC. Your progress will be saved automatically after each step
   - Change student PIN
   - Create CBC student email account

**April 2018**

6. **Schedule Assessment Test**
   - CBC requires a COMPASS test of all students pursuing a degree or certificate. The COMPASS is given by the college Assessment/Testing Center

7. **Complete SOAR - Student Orientation to Advising and Registration**
   - Students learn about CBC resources, receive general advising information, and learn how to register for classes during SOAR

**June 2018**

8. **Register for Classes**

**September 2018**

9. **Pay Tuition**

10. **Attend First Year Introduction (FYI)**
    - All degree and certificate seeking students are required to attend a First Year Introduction course. You sign up for a session when you register for your first quarter classes

11. **Attend Classes**

</table>
**Why a Technical School?**

- Length of program is shorter
- Career-driven alternative
- Curriculum is focused for each specific program of study
- Aimed toward immediate employment after graduation

**Types of Programs**

- Variety of Programs
  - Technical Certificates
  - Two-Year Associate Degree Programs

**Researching Your Options**

- Research the programs and majors offered at all the schools
- Verify entrance requirements
- Determine class size and learning styles

**Career/technical schools located in WA**

- Research available schools using the website [www.checkoutacollege.com](http://www.checkoutacollege.com)

**Admissions Process**

- Most technical schools have a high rate of acceptance
- Follow the application process for your school of choice
Job Training

- Largest job trainers in the country
- Military jobs often have a civilian counterpart allowing you to build job skills that can be used in your careers once your term with the military is complete

Education Assistance

- The Montgomery GI Bill provides $37,000 - $71,000 in educational benefits
- Free tuition assistance while on active duty
- ROTC Scholarships available for high school students interested in attending a four-year college/university

Other Benefits

- Free technical training in over 300 different skill areas
- 30 days of vacation with pay
- Free housing and meals
- Free medical and dental care
- Excellent educational opportunities
- International travel

Entrance Requirements

- A high school diploma is generally required
- Be at least 17 years of age
- Be physically qualified
- Be of good moral character
- Qualify on the Armed Service Vocational Aptitude Battery (ASVAB)

Why Choose an Apprenticeship?

- Successful application of learned trade
- Higher wages
- Advancement potential within the organization
- Equal opportunity
- Documented training along with state certification
- High potential for job placement

Requirements

- Education: High School Diploma or GED
  - Strong Math, Basic Reading and Writing Skills
- Aptitude test dependent on apprenticeship program

Becoming an Apprentice

- Research your program of interest
  - Contact local coordinator to inquire the availability of program of interest
  - Check program’s website for available resources
  - Complete the admission process and submit the application as directed
Check out Scholarships listed on Pasco High’s website

Go to WWW.PSD1.ORG—Select Pasco High in the top left corner and find Scholarships/Becas listed under Quicklinks!

General Information

- Scholarships can be local, state, regional, or national
- You can apply for as many scholarships as you wish
- Scholarships can be public or private
- Some scholarships may be a one-time grant while others may be renewed if requirements specific to that scholarship are met (i.e. maintaining a certain GPA)

Determine Your Strengths

- Scholarships can be based on athletics, academics, ethnicity, career interest, and/or financial need
- Some scholarship opportunities are dependent on your parent’s employment and/or membership in a community organization
Searching for Scholarships

- Washington Scholarship Coalition: [www.thewashboard.org](http://www.thewashboard.org)
- College Board’s Scholarship Search: [www.bigfuture.collegeboard.org/scholarship-search](http://www.bigfuture.collegeboard.org/scholarship-search)
- Fastweb: [www.fastweb.com](http://www.fastweb.com)
- Chegg: [www.chegg.com/scholarships](http://www.chegg.com/scholarships)

1079 Search Sites

- Latino College Dollars: [www.latinocollegedollars.org](http://www.latinocollegedollars.org)
- Mexican American Legal Defense and Education Fund: [www.maldef.org](http://www.maldef.org)
- Paying or College - HB 1079: [www.hb1079.org/payingforcollege.htm](http://www.hb1079.org/payingforcollege.htm)

College/University Scholarships

- A vast majority of all scholarship money is disbursed by colleges/universities
  - Use the institution’s financial aid website to complete scholarship applications
  - Private institutions offer scholarships as well as public institutions

Preparing for a Scholarship

- Request an official copy of your transcript
- Request letters of recommendation
- Prepare a personal statement

Applying for a Scholarship

- Read the description to see if you are eligible to apply
- Answer ALL questions - do not leave blanks
- Proofread your application and have someone else proofread it before you submit it
- Make copies of everything you send
- Send your application early - DO NOT procrastinate
The following scholarship applications are expected to be available this year. Please check with Ms. Eva Morfin or consult the PHS scholarship website (http://www.psd1.org/site/Default.aspx?PageID=844) for deadlines and/or additions. Bold type indicates local or regional scholarships.

Financial Aid

Free Application for Federal Student Aid (FAFSA)

- A completed FAFSA application is necessary to be considered for student financial aid
- Financial income information for family and/or yourself is required
- Online information and registration: www.fafsa.ed.gov
  (All information is available in English and Spanish)
- Parent and student will be required to have a pin (to sign electronically)
- Pin registration at: www.pin.ed.gov

FAFSA Workshops

<table>

<td>509-542-4593</td>
</tr>
</tbody>
</table>

Necessary Items to Complete the FAFSA

- Student and/or parent income tax return
- W-2 forms
- Child support records
- Records of untaxed Income
- Business or farm records
- Student’s drivers license and social security number
- Alien Registration Number (if not a U.S. Citizen)
- Records of investments

Student Aid Report (SAR)

- Arrives to you in about 4 weeks
- Make sure to correct any errors if necessary
- Report will be sent to all requested schools and a financial aid package will be developed based on your student aid information
- Questions about the status of Student Aid Report can be directed to: 1-819-337-5665

See your counselor for general questions about Federal Student Aid or call the U.S. Department of Education: 1-800-4-FED-AID.
Money is available to help you go to college if you and your family cannot afford to pay the full cost. In Washington, state financial aid programs are known collectively as Washington Opportunity Pathways.

You don’t have to be from a low-income family to qualify for some programs. Financial aid includes grants, loans, work study, and scholarships—and can be either need-based or merit-based.

Need-based aid is awarded to students who cannot pay for college without assistance and includes grants, loans, and work study.

Merit-based aid, generally scholarships, is awarded to students based on academic, athletic, or other achievements or criteria.

Most students receive a combination of aid in what is called a financial aid package that is prepared by the financial aid office at your college, university, or career school.

**State Need Grant**

- Available to undergraduate resident students with significant financial need
- Student is automatically considered once FAFSA process is complete

**State Work Study**

- Available to undergraduate & graduate students with financial need
- Part-time employment
- Can provide experience in your academic and career interest
- Available in the FAFSA process (must check Work Study box to be considered)

**HB 1079**

- Allows undocumented students to attend Washington public colleges and universities by paying “resident” tuition rates
- Students must complete an affidavit (available in Student Services)
  - Students must have resided in Washington State for the 3 years immediately prior to receiving a high school diploma AND completed an entire senior year at a Washington high school OR
  - Completed the equivalent of a high school diploma and resided in Washington State for 3 years AND continuously resided in the state since earning the high school diploma or its equivalent
Health Professional Loan Repayment Program

- Students training to become health care professionals or health care providers agree to provide primary health service for 3-5 years in medically underserved areas
- Students can receive loan repayment assistance

Washington Award for Vocational Excellence (WAVE)

- Available to high school and community/technical college students
- This scholarship recognizes outstanding achievement in vocational-technical education

Future Teachers Conditional Scholarship and Loan Repayment

- Outstanding students and para professionals to become teachers;
- Plan to be employed as a certified classroom teacher in Washington K-12 public schools;
- A portion of the Perkins Loan is forgiven under The National Defense Education Act
- This program forgives 15% of your loan for the first and second years of teaching service, 20% for the third and fourth and 30% for the fifth
Federal Aid Programs

Grants - Money that You are Not Required to Pay Back

Federal Pell Grant
- Available to undergraduate students who have not earned a Bachelor’s/Professional Degree
- Amount will vary dependent upon:
  - The cost of attendance (determined by institution)
  - Student’s expected family contribution (EFC)
  - Student’s enrollment status and length of enrollment

Federal Supplemental Education Opportunity Grant
- Available to undergraduate students who have not earned a Bachelor’s/Professional Degree
- Amount will vary dependent upon:
  - Level of need
  - Date of application
  - The school’s funding level and financial aid office policies

Federal Work Study
- Available to undergraduate, graduate and professional students with financial need
  - Money is earned through part-time employment while you are enrolled in school
  - It’s administered by school participating in the Federal Work-Study Program. Check your school’s financial aid office to find out if your school participates.

Loans - Money that You Are Required to Pay Back

Federal Perkins Loan
- Low interest loans

Subsidized Federal Stafford Loan
- Based on parent’s financial income
- Interest does not accrue while you are attending school

Unsubsidized Federal Stafford Loan
- NOT based on financial need
- Interest accrues while you are attending school

Federal Parent Loan For Undergraduate Students (PLUS)
- Available to parents of dependent undergraduate students
- NOT based on financial need
NCAA Academic Eligibility Requirements

DIVISION I (As of 2008)
Qualifications:

- Graduate from high school
- Complete 16 core courses
  - 4 years of English
  - 3 years of Mathematics (Algebra I or higher)
  - 2 years of Natural/Physical Science (lab science if offered)
  - 1 additional year of English, Mathematics or Natural/Physical Science
  - 2 years of Social Science
  - 4 years of additional courses (from any area above or Foreign Language, Non-Doctrinal Religion/Philosophy)
- Earn minimum required Grade Point Average in core courses
- Earn a combined SAT or ACT sum score that matches Your core course Grade Point Average and test core sliding scale (see scale)
- Register at the NCAA Clearinghouse

</table>
Pasco High School Seniors: Applying for college?

Here is your 12th grade to-do list

**Early Fall**

- **Create a calendar of important dates and deadlines.** Include college applications, test registrations, scholarship applications, housing, and financial deadlines
- **Create an activities resume.** List all things in each category that apply from grades 9-12. Suggested headings are Awards and Honors, Leadership, School Activities (including any school sports), Community Activities (including community service), and Work Experience
- **Write a personal statement.** This will be essential to getting into college and being considered for scholarships! Need some help getting started? Talk to your English teacher or see Ms. Eva Morfin in the Bulldog Way
- **Request 3-4 letters of recommendation.** These can be written by an employer, a pastor, teachers, administrators, school counselors, or anyone else who knows you well and is willing to write a good letter for you. Give a copy of your activities resume and a personal statement of your goals. Include the colleges you’re applying to and why you chose them. Beat the crowds and ask early, and give your recommender at least 3 weeks notice before you need the letter sent. It’s always a good idea to do a polite follow up to make sure the letter was completed and sent off
- **Register to take the SAT or ACT.** Most colleges will accept test scores from either, the registration deadline is typically one month prior to the test date. Double check and make sure you’ve requested the test scores to be sent to the colleges you’ll apply to. (It’s typically an extra step.)

**Fall**

Review your college plans and financial aid preparation with your counselor.

- **Stop by the Bulldog Way to see when your colleges will visit PHS.** Most universities in WA will meet with students at least once between September and November. There will be a college fair on October 19, 2017. That would be a great time to follow up with your college admission counselor!
- **Visit some college campuses.** If you need to schedule an interview with the admissions office, now is the time!
- **Make sure your high school transcripts are correct.** If they don’t need any corrections, request several copies from Mrs. Ceballos in Student Services. You can either send these in with college and scholarship applications or we can mail them directly to the schools for you
- **Get your college applications completed and sent in before Winter Break, if possible.** You can apply online or on paper, but most schools prefer the online application because it gets information into their system more efficiently. Four-year colleges and universities usually charge an application fee of approximately $50-$60. This fee must accompany the application and is paid by credit card if you are applying online. If you have a financial hardship and cannot pay the application fee: Talk to Ms. Eva Morfin about application fee waivers
- Two weeks after your send in your application and transcripts, give the admissions office a call or send an email and ask if your application is complete. If they’re missing any information, they will not process your application

*Note: Deadlines for receiving college applications differ from school to school. Many are due in the winter months, but colleges greatly appreciate receiving applications in the fall when they are not so swamped.*
Winter

- **Apply for a FAFSA FSA ID** (both student and parents make a FSA ID), even before you file a FAFSA at https://fsaid.ed.gov/npas/index.htm

- **Complete the financial aid form (FAFSA)** This form will require information from the current year tax forms both from your parents and from you, if you have worked and will file taxes. The FAFSA is available on-line at www.fafsa.ed.gov. You can estimate taxes and send in the revised amounts later, but the process is quicker if you can send the correct figures the first time

- **Be sure to submit the FAFSA before February 15 for the best opportunities for financial aid and to receive the College Bound scholarship if eligible**

- Within a few weeks after sending your FAFSA for processing, you will receive a Student Aid Report (SAR). Check to make sure all of the information on the SAR is correct. By the time you receive the SAR, the schools to which you have applied and been accepted will develop a plan to help you meet your financial needs. They will contact you with a financial aid offer usually through mail or e-mail

- You can accept or reject any part of a financial aid offer. A financial aid offer may contain any of the following: scholarships, grants, work-study, and loans. Scholarships and grants (grants are scholarships based entirely upon financial need) are the best awards to accept, as there is no money to pay back. If you are interested in work-study (working a part-time job while you attend school), be sure to check that box on your FAFSA form. Loans come in many shapes and forms. Usually those subsidized by the government are the best deal. Other times you may be able to get an equal or better rate for a loan from a bank or credit union. Remember that you do not have to accept any part of a financial aid offer with which you are not comfortable

- **Winter is scholarship prime time!** Follow all of the directions and make sure to get all of the required documents turned in a few days before the deadline. We suggest that you concentrate your efforts on local and regional scholarships. There are thousands of dollars available specifically to local students! Check on the PHS Scholarship page for the most up to date list of local and national scholarship opportunities

- You have probably already received some mailings from companies asking you to pay them to help you get scholarships. We strongly advise you to NOT pay for these services as you can get more help for free from the Student Services office at PHS

- **Please notify Ms. Eva Morfin in the Bulldog Way if you receive any scholarships or awards.** We need this information so you can be honored at the Senior Awards Night in May and on the graduation program

Spring

- **May 1 is the national confirmation deadline for US colleges and universities.** Many schools ask for a tuition deposit to secure your spot, if you are experiencing a financial hardship, often times they will work with you. Contact your admissions counselor for more information

- Check housing deadlines for residence halls

- Make a reservation for your college orientation and registration session

- **Request your final transcript be sent to your college**
  
  Note: Final transcripts will not be mailed to colleges and universities until the third week in June when final grades get stored
