

# TED TRANSPORTION ROUTES

**Weather conditions can cause changes in school times or the cancelation of school altogether.**

Below are the changes that will occur to the Pasco School District's bus routes if "Limited Bus Transportation" is put into effect during the school year. The list below gives the location of alternative stops by affected areas in the event snow and/or ice is on the roadways. If your bus stop is not listed below, your stop will remain the same during "Limited Bus Transportation."

If you feel the weather is questionable, there are several things you can do to find out whether there is "Limited Bus Transportation," whether schools are starting late, or whether the Pasco schools are closed on a particular school day.

**Listen to local radio and television stations** – Listen in the early morning and throughout the day if the road conditions are questionable.

Here are a few radio stations that provide regular reports:  
KONA (610 AM), KONA (105.3 FM), or KORD (102.7 FM).  
As for TV stations, watch the morning news on:  
KEPR, KNDU, NBC Tri-Cities.

**Check the Internet** – The status of all PSD schools is listed on our website ([www.psd1.org](http://www.psd1.org)). You can also access the status of PSD school information via FaceBook, Twitter and the PSD App on cellphone.

**If no report is given for Pasco schools, it means school is operating on its normal schedule.**

## PLEASE NOTE:

- Stops not listed will be the same as normal.
- Once snow routes are declared, they will stay in place throughout the day.
- Alternate stops apply to morning, afternoon, and after-school activities, as long as "Limited Bus Transportation" is in effect.
- When buses are running "Two Hours Late" there will be no morning half-day programs.

**If "Limited Bus Transportation" is in effect, students will be picked up at these alternative bus stops:**
