INTEGRATION

“...hard working, dedicated, and dependable, and she can always be counted on to take a proactive approach to working with others.”

~Dr. Jenny Rodriguez, NBCT
Principal, Delta High School

TEACHING EXPERIENCE

- Created cross-curricular common assessments and standards-referenced evaluations; designed protocols for concept mapping.
- Organized community resources to coordinate school and regional *Poetry Out Loud* family event; integrated it into STEM curricula.
- Developed college and career readiness curricula and mock interview program for Delta High School’s advisory program.
- Awarded professional development grant; studied Nook e-readers as a metacognitive tool for instructing struggling readers.
- Designed progressive reading program for English Language Learners; contributed to gains in state achievement tests.
- Constructed differentiated curriculum for at-risk, low-performing, and high achieving students, and English language learners.

2010–17

DELTA
High School

2014–15

CHIAWANA
High School

2005–10

PASCO
High School

“ I am a better teacher because of Sarah, and my students are the beneficiaries.”

~Deborah Burke, NBCT
Science Instructor, Delta High School

CONSULTING EXPERIENCE

- Low-Prep Scaffolds and Extensions; Language is Power Conference
- Building an Integrated Curriculum; Lighthouse Conference Facilitator
- Cross-Curricular Integrated Curriculum Consultant; Curie and McClintock STEM Elementary Schools, Ochoa Middle School, Chiawana High School, and Pasco School District Third Grade STEM Summer Camp.
- Washington State University’s College of Education Professional Educator Advisory Board; elected Co-Chair for two year term.
- ArtsWA Poetry Out Loud School and Regional Coordinator
- Engineering Understanding: Content Area Reading Facilitator
- Learning Focused Conversations Facilitator and New Teacher Mentor

SOCIAL MEDIA ANALYSIS

I monitor stakeholder perspectives and create responsible messages on a variety of social media platforms to enhance instructional programs.

DIGITAL CONTENT CREATION

I create digital content and instructional materials using the following programs:
