Job Corps is a **tuition-free** training and education program that connects eligible young men and women with the skills and educational opportunities they need to establish real careers.

There are 123 Job Corps centers across the nation.

Job Corps is open to ages 16 through 24.

Our most successful Job Corps students are in the program for at least 18 months.

Job Corps requires hard work, focus, commitment, and motivation.

Job Corps graduates either enter the workforce or an apprenticeship, go on to higher education, or join the military.

TRAIN

SUCCESSFUL CAREERS REQUIRE A STRONG FOUNDATION

At Job Corps, you will **TRAIN in high-growth industry sectors**. All training programs are hands-on, and you will train in real work environments. When you finish your career training, you will earn industry-recognized credentials in one of the sectors listed below.

INDUSTRY SECTORS

Advanced Manufacturing

Automotive and Machine Repair

Construction

Finance and Business

Health Care

Homeland Security

Hospitality

Information Technology

Renewable Resources and Energy

Transportation

To see a more detailed list of Job Corps' training programs with potential career pathways, salary information, and additional certification options, visit recruiting.jobcorps.gov/SiteInfo/Careers.

Careers begin at Job Corps

- 1 A high school diploma or the equivalent and basic training will get you on the right path.
- 2 Advanced Training and hands-on experience get you in the workforce.
- 3 An apprenticeship, college experience, and industry-recognized credentials can lead to more money.
- 4 Finish college and you are well on your way to a great career!

The more you learn and train, the more you'll make. See how to get started below!
