

**PASCO SCHOOL DISTRICT #1
BLENDED LEARNING BUS ROUTES - 2020-2021**

**Please be aware that the times
may vary due to student load and traffic.**

Students need to be at their stop 5 minutes before their stop time and should wait at least 5 minutes after, before calling Transportation or leaving the stop. Please note that some stops are separated by LAST name; this is due to the high number of students at that stop.

You will be notified of any bussing changes during the coming year through paperwork sent home with your child.
