Principally speaking . . .

Kestrel Families,

As we wind down this year, I feel that the staff and students have made great strides in teaching and learning! The pace of learning really picked up this year! We are actually looking forward to seeing our state assessment scores.

As a staff we are already working on what next year will look like for the presentation of the standards at each grade level. We will be working on fine tuning our yearlong plans at every grade level and developing unit guides that address the needs of all students.

One of the best things to come from the students attending in person this year was, of course, their social interaction. We have worked hard to put in place expectations for student behavior at Columbia River Elementary this year. We will continue to fine tune those as well next year.

Every morning we recite the Kestrel Pledge, which is: Kestrels are Safe, Respectful, and Responsible. Watch us Rise! We have added the Kestrel Pledge in Spanish this year. Kestrels son Seguros, Respetuosos, y Responsables. Mirranos Ascender! Please encourage your child to practice those character traits throughout their life. We want to help educate great citizens here at Columbia River.

The last week of school will bring some changes to our routines. We have worked hard to keep instruction front and center this Spring. On Monday, June 13, we will have a Field Day. More information will follow this. We continue to look for a few parents to volunteer to run events. On Tuesday each grade level will have extra specials time, so teachers can take down their classrooms. Students will be watching a movie in the cafeteria-gym area during this time. Wednesday is our last day, during which we will have a schoolwide assembly. We will have an assembly for K-2 and repeat it for 3-5.

We thank each of you for partnering with us this school year. Happy June! Have a safe and healthy summer. See you in August!

Sincerely,
Mrs. Hay
