*\*\*Individual had not been in District facility prior to testing positive*

*This list includes every positive case that is reported to the school district by staff, families, school nurses, school COVID-19 coordinators, and the health department. There may be positive cases that are not included. If you know of a positive case that is not included on the list, please contact your school nurse or school COVID-19 coordinator. The data below is NOT official data from the Benton-Franklin Health District. Data may change or be adjusted as new information is received by the District.*
