Dear Bulldog Students and Families,

Welcome to the 2021-2022 school year! For our Open House this year, we have options available for our families. You will have an opportunity to learn more about Pasco High School and how we strive to support your student. We will host a Virtual Open House on Zoom for families to meet teachers and learn more on how to support your student at home. Additionally, we have an In Person Tour of Pasco High School for families to learn more about Pasco High School.
