# Director Districts-Guiding Principles

## Ch. 29A.92 RCW

Requirements of the Washington Voting Rights Act	Director District Maps Options for Discussion
<p>Electoral systems may not be applied in a way that impairs the ability of protected class voters from having the opportunity to elect the candidates of their choice as a result of vote dilution.</p>	<ul style="list-style-type: none"><li>• Each configuration being presented for consideration has at least one director district with a majority Hispanic/Latino voting age population.</li></ul>
<p>The equal opportunity to elect shall be assessed pragmatically, based on local election conditions.</p>	<ul style="list-style-type: none"><li>• Each configuration being presented for consideration uses the existing Franklin County voting precincts to draw boundaries. No voting precinct would be “split.”</li></ul>
