

# Career & College Ready Academy

## Small Innovative High School

December 2022

Where Bright Futures Are Made.  
See Us Shine!

 [www.psd1.org](http://www.psd1.org)

# BOND 2023

- Comprehensive HS #3
- **Small Innovative High School – Career & College Ready Academy**
- Athletic Fields and Facility Improvements
- Career and Technical (CTE) Enhancement and Modernizations
- Land

# Guiding Principles

- College and Career Readiness
- Innovative Educational Approach
- Culture of Belonging and Student Empowerment
- Family and Community as Partners
- Equity, Access, and Achievement

# Career & College Ready Academy

## **2 + 2 Model**

**First 2 years – Trunk**

**Last 2 years - Branches**

# Trunk – Freshman/Sophomore Years

## Instructional Components

- Flexible Learning Structure
- Learning through Interests & Internships
- Project Based Learning
- Focus on Social Emotional/Soft Skill Development
- Technology Integration
- Bilingual/Bicultural Opportunities

# Branches – Junior/Senior Years

## Personalization – Student Agency

- Career Pathway
  - Health & Human Services
  - Engineering/Manufacturing
- Stackable Credentials
- Apprenticeships & Work Based Learning
- Tri-tech
- Running Start (WSU & CBC)
- Senior Capstone Project

# Career Pathway Focus

- **Health and Human Services**
  - Industry demand
  - Increased student interest in health-related programs like Sports Medicine
  - Need currently not being fulfilled at any other Pasco School
  - Opportunity to incorporate Medical Translation, promoting benefits of being bilingual
  - Current industry partnerships with Providence and WSU Latinx Medical Student Association

# Career Pathway Focus

- **Engineering and Manufacturing**
  - Industry demand in the skilled trades
  - Popular courses at each of our high schools – Robotics, CAD, Welding, STEM Engineering
  - Current industry partnerships established with Framatome, Sandvik Special Metals, Lamb Weston

# Stackable Career Options

## Health Care Pathway

High School

- Medical Office Clerk (\$43,970)
- Hearing Aid Specialist (\$59,500)
- Community Health Worker (\$46,100)

Certificates

- Medical Assistant (\$47,460)
- Dental Assistant (\$46,640)
- Medical Billing (\$47,1070)
- Sterile Processing Technician (\$46,500)

Two Year Degree

- Radiological Technician (\$77,240)
- Surgical Technology (\$60,020)
- Paramedic (\$93,640)
- Sterile Processing Technician (\$46,500)
- Nuclear Medicine Technology (\$99,760)

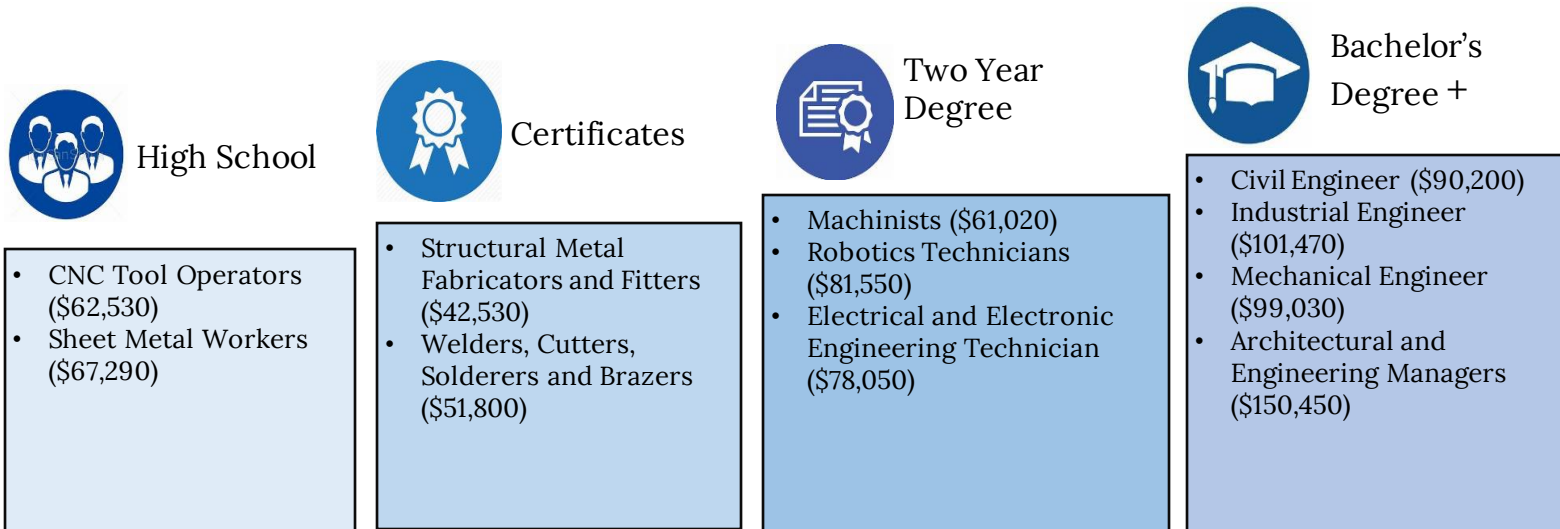

Bachelor's Degree +

- Nurse (\$96,9480)
- Physical Therapy Assistant (\$61,120)
- Medical Interpreter (\$62,900)
- Epidemiologist (\$104,100)

# Stackable Career Options

## Engineering and Manufacturing Pathway

# Career and College Ready Academy & Delta High School

## Similarities

- Small student population
- Project based
- Pathway focused

## Differences

- Multiple Career Pathways
- Work based learning for all
- Graduation with an Industry Certification or AA degree
- Flexible entry
