2. 2018/19 Elections – each spot is a 1-year commitment
 - a. Spots still open
 - i. Community Relations Coordinator
3. Grant Requests
 - a. Peaceful Playgrounds – Mrs. Lott said teachers are supportive of the idea, and willing to help. Concerns about if people will donate time to complete necessary steps to paint and set up the program. Training can be implemented while waiting for some other pieces to be completed. Some parent concerns were if new staff would be trained in future years. Ms. Cozad said it could be a part of the PBIS program. Want to make it a sustainable program. Could be helpful to give more options for PE program as well. Will not take away from the other playground options, such as big toys, basketball, field games, etc. Nicole Giles motioned to pass grant request contingent on approval from the district, and with help from the staff to paint. It was seconded, and passed 9 votes yes, 0 votes no.
4. Papa John's Pizza Fundraiser
 - a. Next one is January 17th. Code is MCGEE. Can be used by any Papa John's in the Tri-Cities. Share the code online, in your groups, with your coworkers.
 - b. Goal is to raise more than our November event - \$328.36
5. Box Tops competition – top three classes win. 1st place gets to choose first, then 2nd place and 3rd place gets what is left over
 - a. Finalize prize package
 - i. Food
 1. Donuts, popcorn and shaved ice
 - ii. Nonfood choice: pjs and movie
 - b. We need a volunteer to collect tops every 2 weeks and tally up for each class so we have a running total.
6. Takeaways from most recent events
 - a. Holiday Shoppe
 - i. Is this something we would want to do again? Look into another company in order to get price sheets for students, and run it like book fair with shopping before and after school. Is there a way to allow students to earn mustang money to shop? Could PTO purchase items for students to buy and not use a company.
 - b. Book Fair: Better to have Donuts with Dads at the end.
7. Next year's fall fundraiser
 - a. New opportunity: Set it up-all online donations to support PTO, and students earn a Day of Awesomeness. Voted to switch from catalog orders to Set it up for fall 2019.
