1. Welcome and Introductions
2. Budget Update: \$28,465 approximately.
3. Grant Requests: None for this month
4. Debrief
  - a. Donuts with Dudes: Wasn't rushed at the beginning, and steady flow. Book Fair did well even with few students this year. 15 baker dozen bars were cut in half, and 15 baker dozen rounds not cut. Check on amounts of milk and juice for next year. Santa pictures were blurry. Think it is a Costco error, so will check to see if we can get them redone. Send with a note of apology.
  - b. Holiday Shoppe: Received more inventory this year. Next year we need a full week. One day for grade levels during school, and one day to stay later after school for students to shop. We can send home a flier from Book Fair about the Holiday Shoppe. One parent sent money with one child for two children, and students said they were not allowed to split the money. Make sure next year parents know to write a note on envelopes when sending money. Let parents know they can do gift certificates online, and print out to bring. Helpers were there to help students shop. Most students were excited.
  - c. Panda Express Night: Only made \$48.15. Georjene said when they went in the employees didn't know about it. Need to call them the week before or day of, and make sure they remember to give the discount. Next Panda date is March 6<sup>th</sup>.
5. Spring Muffins event
  - a. We need to decide on a name.
  - b. Suggestions from last meeting: Snacks with Superwoman, Loving our Ladies, Muffins with Misses, Good Morning with Gals, Laughing with Ladies, Goodies with Gals. Vote decided on Muffins with Misses.
6. Mustang Family Fun Night – Friday May 29<sup>th</sup>
  - a. Block party style
  - b. No vendors
  - c. What do we want to do? Tentative three hour time block from 5-8 with movie at 6:30. Low key, come hang out with the family, bring out the Peaceful Playground games, and barbeque. Two movies would be fun to provide options for families. If the movie is PG, need to advertise and make parents aware.
7. Shade vs. water fountains: What direction do we want to go? Need to decide so students can access them this year. Maybe put up one shade and two fountains. Next year we could fundraise to add another shade and more fountains. Decided just water fountains this year, and fundraise for a better shade for next year.
8. Upcoming events
  - a. January 23<sup>rd</sup> – Papa Johns-20% of all orders
  - b. January 28<sup>th</sup> – Hat day
  - c. February 7<sup>th</sup> - STEM Night: PTO will sell spirit wear.
  - d. February 19<sup>th</sup> – Family Skate Night Rollarena from 6-8 p.m.: \$5 per student. \$1 dollar goes toward the school. The class with the most attendees gets free food. Younger students who arrive around 5:30 get a lesson and rules about skating. Rollerblades extra.
  - e. February 25<sup>th</sup> – Hat day
  - f. February 25<sup>th</sup> – McTeacher's Night
9. Adjournment at \_\_\_7:40\_\_\_\_\_
