

Mustang PTO Meeting
October 4th, 2018

1. Welcome: 6:30 p.m.
2. Round-up Debrief/Take-a-ways
 - a. Finances: Spent 1,488.77. Made 3,432.65. Profit \$1943.88
 - i. Expenses: Ice, pop, water, chips, candy, bounce houses, prizes, decorations.
 1. Cupcakes were all donated
 2. Candy bars and chips all sold out
 3. Left-over candy will be donated to the AR candy grab, and PBIS
 - b. Positives: Good turn-out of students and families. Advertising made a difference. Good to see community partners, face painting, layout, having it outside, baskets by grade-level, very family oriented for all ages, setting up earlier, using square for payment.
 - c. Feedback for next year: keep track of how many tickets sold, attendance, games played, more signs for locations, more extension cords, set up portable mic at raffle center, only one place to buy raffle tickets, and invest in a tablet for square payment. Send out a google doc questionnaire on suggestions for feedback.
3. Fund-raisers Debrief/Take-a-ways
 - a. Finances: over \$25,000 in retail sales. Waiting to see PTO's share.
 - b. Positives: great way to raise money for schools. Easy for school staff, and students loved the rewards.
 - c. Negatives/Feedback for next year: Too much going on in September. Need a distinct timeline with no leeway, and not to overlap with round-up. Advertise to take out the cowabunga (toy) coupon. Exact amounts only for payments.
4. 2018/19 Elections-1 year commitment
 - a. Box Tops/Coke coordinator
 - b. Community Relations Coordinator
5. Upcoming Events
 - a. Book Fair: Nov. 29-Dec. 7
 - b. Santa Shop: Opportunity for students to shop for family member Christmas presents \$5 and under. Idea is to have an enclosed trailer to set up items, and classes can come through and shop. Need parent volunteers. PTO will move forward and contact companies for the shop in December.
 - c. Duct tape staff: February, Ms. Cozad and Mrs. Iverson going up against Mr. Young the reigning champ.
6. ATP: Action Team for Partnerships-group focusing on academics, and involves family and community members. They are having a hard time getting parents to come. Proposed to combine PTO and ATP meetings. Mrs. L.P. has concerns about meetings becoming too long. Mrs. L.P. invited parents to attend the ATP meetings on third Thursdays of every month at 8:30. Parents can bring students. PTO will advertise the meeting on Facebook.
7. Other: Two requests for PTO funding
 - a. Student Leadership: \$480 to paint bathrooms to improve bathrooms and motivate students with uplifting quotes, and in keeping bathrooms clean.
 - i. Allison Hill moved to approve proposal, and seconded by Jenne Baker

- ii. Vote taken and motion approved.
 - b. Vice-principal Holly Cozad presented Peaceful Playground program for PBIS. Program to provide structured play, researched based with decrease in referrals, everything included in the kit, includes over 100 age appropriate games. McGee students tend to get in trouble when they make up their own games, with their own rules. This provides a resource to give more structure and rules to games available at recess. Monica Soto asked if this program works well for large population schools. Mrs. L.P. stated the program could help McGee use the playground space more efficiently.
 - c. PBIS requests \$1500 to fund Market for mustang money.
 - i. Jenne Baker motioned to grant the \$1500 for mustang market, and table to \$5000 for the peaceful playground until we have more information. Seconded and motion passed. PTO would like to see how much PBIS needs for Peaceful Playground after grants, shipping, and labor.
8. Spirit Week: Oct. 29-Nov. 2. Moving hat day to the Oct. 23rd to accommodate spirit week.
9. Adjournment: 8:15 p.m.
