

WELCOME CHIAWANA RIVERHAWKS!!!

Hello 9th graders and members of the class of 2024!

Your first day of school is Tuesday, September 1st from 1:00 to 2:30. Please remember to complete these three things before your first day of school:

- Parents need to log into the Parent Portal www.psd1.org/Page/7581 to Complete the Annual Update then your schedule will be available in PowerSchool. You will need that to attend class virtually.
- Know our new school class schedule (on the back).
- Be familiar with MyAPPs. Check your school email and teams pages to correspond with your teachers, counselors and administrator.

We are excited that you're back and although we will start off this great school year in a "virtual setting online," we are excited to see you and have you be successful in this new way of learning.

Mrs. Bennion and your 9th grade team!

Please let our office team know if you have questions.

Visit our district website for more up to date information regarding the school schedule and start of the school year.

<https://www.psd1.org/domain/1784>

Please contact our office staff with questions regarding your schedule, log in, classes, or other concerns. Chiawana Phone # 543-6786.
